With reference to Pro: of Govt: No. 6604-5 dated 7th Instant, I do the honor to state that a rate of 8 Rs: was proposed as the pay of the Scavenger to be employed in the Chitaldroog town, as the services of one who would efficiently do the work could not be had for less. The latrines made use of by the general public and which this Scavenger is called upon to clean are not many, and one Scavenger is enough for them.
